“ Grandpa- You are such an inspiration. You truly will be missed, however I know that Grandma and Baby John will enjoy your company. Your memory will never fade as your children will have fond memories of you always with them in thier hearts. I will always be thankful that you were with me through the birth of your first great grandchild and all of your support no matter which path I chose. You are the true spirit of unconditional love. Semper Fi, I'm glad our military has a new guardian angel to watch over us.

“ Dearest Dad, you are responsible for so many memories, the camping, the love of nature and all its beauty, and so many more. But I will always remeber you for the kindness and compassion that you showed others. Such as when you were lying in that bed with a half dozen IV's and struggling for breath with a mask on your face, and one of the first things you asked about was "hows Ralph doing"? You were a great man. I can only hope to be half the man you were.
