“ I am Chuck White, who was a young engineer at Ford when I met George during his Kelsey Hayes days of the 1970's. He was a class act from the minute I met him. Very reliable, very hard worker, but best of all a good friend. I know I speak for many in saying that he was one of those people that you will never forget. He also liked a good time with everybody, I loved his sense of humor and kindness. My one regret is that I did not learn of George's passing until today, March 31, 2025 as I would have attended his visitation/memorial/funeral.

“ My heartfelt condolences to Elaine and the entire Mach Family on George's passing. I met George in January 1980 on my very first day of work out of college at Kelsey Hayes. I knew immediately that this was a man that I wanted to get to know. He was strong, confident, and demonstrated a leadership quality that I recognized and respected. He proved over the years to reflect so many qualities that I would admire. He was a terrific mentor and became a cherished friend. George was a man's man. His memory will live forever in my heart. I love you my friend. Rest in the peace of our Lord and Savior Jesus Christ.
