“ Debbie and family, I am so sorry to hear this news. I can tell you that your mom, mother-in-law, and grand parent is now an angel in Heaven with God. You may have lost the ability to hug her, but you still have her in your mind and heart. People will say or do something that will remind you of her and you will smile at the memory, then you will feel sad. It will be a roller coaster of emotions and as time passes the sadness will diminish also. My deepest sympathies for your loss. Rose McLennan (BCBSM)
