“ I'm so sorry, just heard about Jerrys death. Several years ago I got to know Jerry a little bit every month as I read his electric meter. Changed routes so didn't see him again; then read it once more at the end of last year. Left a note on his door at Hubbard Lake w/ my email address. A kind neighbor found it and just emailed me with the news. Jerry always treated me very nice, and I looked forward to seeing him on my route. I am so sorry for his family, and wished I could have seen him again. May he rest in peace, and thanks, Jerry, for being so nice to me. We will meet again.
