“ *Grandpa you were such an amazing, hard  
working and loving soul. You had so much love  
to give to your grandchildren and family. I loved  
spending the night at your house and the egg  
sandwiches you would make in the morning for  
breakfast. You would give the shirt off your  
back to anyone. I cherish all the memories you have helped build  
throughout my childhood. I know you will continue to look down on  
us as we continue to grow.* 💜💙💚💛

“ Grandpa was always such a joy to spend time with. I think all of his grandchildren will remember every small (repetitive) joke he would make, or funny prank he would play. Lets be real.... we all know that I am talking about the "guess what's in my hand and ill give it to you" washcloth trick to wipe our faces. I think back on them all now and they still make me smile to this day.

*I always felt that he was so proud of all of his grandchildren for their accomplishments no matter how big or small they may have been. To him... we were always "lookin good", the smartest, and most talented group of grandchildren you could have. He went out of his way to play games with us every time we visited. Whether it was Chinese checkers, baseball , around the world, horse, sidewalk chalk, or coloring... he was always willing to play. More than that, he encouraged us that we were better than before, and better than him. This will always resonate with me through life as a true confidence builder.*

*To know that he had so many people who enjoyed his company, and cared for him brings peace to my heart. I appreciate all the kind words, thoughts, and prayers during this incredibly difficult time losing someone so important in our upbringing. We will always love you Grandpa, and we will see you again someday..... and guess what..... I know you are holding a warm washcloth.....*

“ To the family of Gerald Gibson : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

“ "Uncle Jerry" was the most kind, generous and loving man I've ever known. He was also the most fun at parties. I will miss his smiling face and kind spirit. He will be sadly missed.
