“ I've been trying to think of something nice to share about my Grandpa Loveday. But how do you sum up one mans life? To me he is someone I would love to someday be like. A husband for 60 years, a great father who always provided for his family, an amazing grandfather to all his grand children, a role model to many, a marine, a mechanic, and a great friend to so many people. Gerald Loveday is someone we will all greatly miss and I'm sure those who all know him will share in memories and continue his great legacy.
