“ I worked with Gerry at Royal Oak Beaumont. He was one of the very first people I met. He showed me the ropes and was always there to lend an ear.

So sorry to hear of his passing. He will be missed by many.

“ I had the privilege to work with Gerry at Troy-Beaumont's Anes Dept. We worked on many projects together ranging from buying equipment for the dept., readying new ORs for anesthesia care and interviewing prospective new employees. He was a dedicated co-worker that always gave his best. He communicated well, was always very pleasant, professional and his sense of humor always prevailed.

Gerry endured his illness with grace and dignity. He was always positive minded and always had a kind word to say.

Gerry, you left your mark on our work place and I thank you for that. We will miss you very much. I pray for your family's peace of mind. Rest in peace my friend.
