“ Dear Susan and Tish – It was gratifying to reconnect with Jerry again, for what turned out to be the last year of his life. After 50 years, it was a unique experience of reminiscing and catching up on each other’s lives. Talking with Jerry after all this time completed a circle in my life. I hope it meant as much to him. He expressed such pride in both of you, appreciation for Mark, and love for his two grandchildren. You made him proud! You have my thoughts and sympathy at this time of remembrance. Sincerely, Sandy Lefebvre
