“ Joan-Tom, my prayers are with you on this sad occasion. I thought back when we were little guys and how much fun we had together. Even though we never stayed in touch over the years I was so glad that my mom stayed friends with you Joan and it was very kind of you to stop by and see her recently. My heart goes out to you and yours and may Jerry live in peace forever. rick

“ Wendy, I was so sad to hear that Jerry was sick and now to hear of your loss. Having lost my dad just a few months ago, I know how hard this will be for you. It's still very hard for me. Remember that those we love are always in our hearts. I will think of you in my prayers.

“ Jerry was like a brother to me that I haven't seen in over 20 years. We were close then but time goes by and people drift apart and move away. I was sad to hear of his death. Jerry, I will always remember you and the good times that we shared together. Joan and Tom, and family, may you find peace in your heart. My thoughts and prayers are with you.
