“ We are sorry for the passing of Jerry and Julie. I don't recall ever seeing them apart so it's not a huge surprise they passed so close in time to each other. Hopefully, they are enjoying themselves in a better place. The family holidays won't be the same without them. They certainly enjoyed a good buffet and catching up. Paul, Anne and Frank Tafelski

“ To The Family of Uncle Jerry, We are so sorry for the loss of your father. I enjoyed talking with him at the family gatherings, listening to his stories of the past and the adventures of the present. I miss seeing him walking down the main streets of Royal Oak, meeting up with him at the 7-Eleven where he would be buying a daily newspaper and I would be getting my morning cup of coffee before work, he would wish that I would have a nice day at work. He will be missed dearly. Love Cindy,Rick and Family.
