“ Growing up, I had several ladies that I would affectionately call Mom. Gerry was the only other person I would consider calling Dad. (Though I think he'd slap me upside the head if I did) He ALWAYS would take calls from me when rebuilding an engine or looking at a ride to build. Cranky as they come, but a more genuine, sincere person you'll ever know. And we are a few of the lucky ones that got to know him. Godspeed Gerry, we will see you on the other side...
