Geraldine was my mom's 1st cousin. I used to love staying at her parent's house in East Detroit when we would visit in the summers. She was always very nice to me, even though I was 8yrs. younger. I was 16 when she got married, @ was elated when I caught her garter! I still have the picture of me putting it on her leg. That night I slept at her cousin Rich Jakubek's house, @ slept wearing the garter on my arm! She was truly a sweetheart! My deepest sympathies to all in her family. She's truly missed by all, and although Heaven is enriched with her prescence, the Earth is less bright since her loss.

“ A wonderful 1st cousin of my mom. We always enjoyed visiting our relatives in Detroit and especially going to see Geraldine & family. Although she’s only nine years older than I am, when you’re eight years old she seemed like a much older adult. She always had time for us and was as sweet as can be. My condolences to the family.

“ *I had the great pleasure of having both my daughters in Mrs. Brouwer's class at Wiley and also working in her classroom several years later. Geri was the most compassionate, wonderful teacher and woman, and her devotion to her students was a beautiful thing to watch. She will be greatly missed by so many - may she rest in peace.*
