“ Thank you to Gerri's daughters that allowed my husband and I to be part of Gerri's world. We saw her every month and she took care of not only us, but our cats. We shared many funny stories and laughed often about silly things. She enriched our lives and I loved her genuine care for others. What a great lady!! I miss you Gerri but know you are telling my Mom great stories!

“ We are truly shocked and sorry to hear that Gerri passed away. We were neighbors right across the hall for a few years on Grandy in Detroit. We thought it too bad that she ended up divorced from Matt. We remember the kids and her sitting on the porch steps now so long ago. She was a friendly, cheerful person and always tried to look her best. Back then we were young and just starting out in life. It is unfortunate that we lost contact.

“ Mom, you will always be my best friend. I miss you soo much right now. You're the most generous, most humble person I know! You gave everything you had to whoever needed it, whether it be a homeless man on the street, a relative down on their luck, or some orphan in another country. You were always there for us, your family, and anyone else who needed you. You picked us up Mom and loved and encouraged us with your advice, letters, calls, prayers, gifts - whatever you had! I love you! I can't wait to see you again! Enjoy peace and God's love....
