“ I wish more people could have had the chance to know what a wonderful and kind person my grandmother was. I feel so blessed to have had her in my life as long as I have. I miss her dearly now but have so many beautiful memories of her. She was everything a grandmother should be always delighted to see you, always welcoming and smiling. She was and always will be a source of comfort to me. It is sad to let go but I wish her all the peace and comfort she brought to my life.

“ There are not words enough to describe how much this wonderful woman affected my life. My childhood is filled with memories of going to Aunt Jean's house to pick berries, swing on the tire swing, see her cuckoo clocks, her dogs, play games or just spend hours laughing and talking. Aunt Jean you were such a bright light and beautiful soul. I will miss you dearly but you will always be in my heart ❤️

“ My sympathy to the family. Death claims the lives of those we loved. Recall the pleasant memories you shared with your loved one. May it comfort you to know that God is near to those broked at heart.-

“ Jean is remembered mostly by the beautiful smile of hers and it makes us smile right back. Her caring thoughts for everyone is the person we would like to be. How much she will be missed by us and all who knew her on Surrey Lake. Francis & Joyce Rush.

“ My funny friend. We laughed until the tears flowed. We even got in trouble in church because of us talking and giggling. I loved her like a Mom. God has a great angel now.
