

## Geraldine Neumeister

February 26, 1935 - September 28, 2017

Geraldine Neumeister (nee Kobs), of Shelby Township, passed away on September 28, 2017, at the age of 82. Geri was born on February 26, 1935 to William C. and Hilda M. Kobs. She will be fondly remembered by all who knew her as making days a little brighter, hearts a little happier, and problems seem a whole lot smaller. Geri was the friend who always had a smile on her face. She was not happy because everything was good, but because she saw the good in everything. Geri was the hand for all of us to hold. Her life was about helping others and being thankful. "Don't cry because it's over, smile because it happened." Geri is preceded in death by her beloved husband, William, her son, Paul, and her daughter, Nancy, and her siblings, Marvin, Kenneth, and Ella Mae. A celebration of life in Geri's honor will take place on Saturday, November 18, 2017 at 10:00 a.m. at the Wm. Sullivan and Son Funeral Home, 8459 Hall Road (3 blocks East of Van Dyke), Utica. In lieu of flowers, memorial contributions can be made to the Autism Society of America, 4340 East West highway, Suite 350, Bethesda, MD 20814. “ I met Geri in 2015 when i started a new Salon job... i looked forward to seeing her every week for her hair appointment. We talked about all the important things in life, especially about the lord and how much faith is important. She taught me to have faith no matter what and have to count your blessings. We became closer ... calling each other on the phone and having long, funny, and heart warming conversations. She was a grandma to me and will miss her dearly. I love her and may She Rest In Peace with God and her loved ones.

“ I only knew Geri a short time. I did her hair this past year. She knew the true meaning of forgiveness. Some people come into your life for a reason. She came into mine to show me there is always a silver lining to any situation. I miss her smile and talks. And will always remember her and the toffee candies she shared with me! May she Rest In Peace with her family. Fondly- Elena Maniaci

“ If ever a person might have been justified in harboring bitterness, it was Geri. Yet, Geri was thoroughgoingly upbeat and positive. She missed her beloved husband and children every day, yet, she always spoke of the good and happy times they shared. Neighborhood children and animals sensed safety and welcome at her door. Geri spread joy to all whom she met, and we are grateful to have known her. We will miss Geri especially at the holidays, but we will follow her example and remember the good times until we meet again.
