“ I met Gerry in 1999 when she began to drive bus at the Sterling Heights Senior Center. We immediately connected and have been special friends since. I called her my second ‘Mom’. We watched out for each other. We share many treasured memories. Gerry indeed made the best cheese cake. I attempted to make it this last winter. Gerry gave her stamp of approval on the sample she had but I think she was just being kind. Hers will remain the best. It has been difficult to witness Gerry’s decline the last few years but I will always be thankful and treasure our friendship and time we had together on this earth. Until we meet again Geraldine, my dear friend. I love you. Judy

Gerry and I worked together at the Sterling Heights Senior Center. Gerry was always very kind and always came into work with a smile and was always willing to do whatever was needed. We had the chance to travel with the seniors on many, many bus trips together and we always had a great time. I am so blessed to have so many fun memories of the great times we shared. God Bless Gerry and all of her family and friends that loved her.

I'm sorry I could attend the visitation. But I would like to pass along our deepest sympathies to Gerry's family. I too worked with Gerry in the SHPR department . She was always cheerful and a joy to work with. She was a true friend to everyone she worked with.
