“ A golden heart has stopped beating and another Angel has found her wings, because that's what my Aunt Gerda was, a true angel!! She was the kindest, most loving, and most compassionate person I had ever met. Every happy memory I have has her in it as she was an amazing Aunt. I will miss not sharing another conversation with you over a cup of tea and a piece of cake. The gentle kindnesses you have shown me will live in my heart forever. God bless you Aunt Gerda, be at peace, and know how much you will be missed. Love forever and for always, Christine

“ I had the pleasure of meeting Gerda through Ingrid. She was such a happy person and I loved hearing stories of her past! I even visited her last Wednesday at Wellbrook where she was having rehab. When I heard the news I was shocked as you can imagine. Our daughter Bailey also enjoyed visiting with Gerda because she was learning German and could talk a little with Gerda. She will be deeply missed and our love and prayers go out to her family!
