“ *Lynnette & family,
We send our love and sympathy as you grieve the loss of your mom. I lost my mom too in May 2020; I know how difficult it is to see this generation of hard working, wonderful people leave us. Your mom raised an amazing daughter-you! I am sure she was amazing too! Your former students, including my daughter and many nieces & nephews, all send you virtual hugs and are thinking of you during this difficult time.
Much love to you dear friend!

“ So sorry to hear of your loss. Germaine was a wonderful lady. During my teen years, I spent every summer working for Ed, side by side with Dave. Ed and Germaine treated me like one of their own. I remember coming in from the fields for lunch and dinner, boy could she cook! I have many fond memories of the time I spent there. Germaine and Ed were great people and were such good role models for all of us.

“ Ed and Germaine were such wonderful people. As a kid I remember Ed having the biggest smile and Germaine always welcomed me into her home. What a wonderful wonderful lady. She was one of a kind.

“ Most of you may not know this but I lived with Ed and Germaine before Dave and I were married. She always made me feel like one of her children. She was loving, attentive and made me feel right at home. Ill never forget her words of wisdom and kindness she shared with me. Couldnt have asked for a better mother in law and when my mom passed away she told me I'll be there for you so you'll never be without a mom who loves you. Those words touched by heart and many times i took her up on that offer for advice. Love you Mom Malburg

“ So many memories of my mom. Hard to choose just one but I will choose this. When I was about 8, my brother hit me in the head with a crochet mallet((not on purpose..lol). I had to get stitches. My mom felt so bad for me that we stopped at a toy store afterward. She bought me a DOLL of all things. I wanted truck but nope..I got a doll. I still have that doll till this day. Somehow she knew I would want that doll later in life and she was right...as usual
