“ *The world has lost yet another great horse person. My daughters and I have so many memories from our riding lesson years at J&R Stables. Rest in Peace Jack and Rita knowing that you have earned many blue ribbons by enriching others' lives. Prayers to Cody, Tina, Jack Jr and all other family members.*

“ We on Earth have lost a wonderful man, but heaven has gained a Saint! Jack was one of the most sincere and genuine people I had the pleasure of knowing. He and Rita molded my childhood with the horse life and I will forever be grateful! God bless you Jack and Rita. You will be missed my many.

“ Jack, and Rita, have been a part of our family's "horse life" for many, many years. He has always been good to us and helpful in whatever ways he could. I'll always remember calling him to ask about the moon phase when I was ready to wean a foal. One of the nicest horses I ever owned was one they bred, a Skipper W gelding. Even though I haven't been a frequent visitor over the last few years, surgeries and health reasons, Jack always welcomed me like I had been there yesterday. He was that kind of a man. I will always have fond memories of them and he will be missed. They have been an inspiration and an institution, to many of us. God bless you, Jack.

“ A wonderful man has passed to a greater life. He was much loved by many of us, and will be missed dearly by all of us. He passed on so much knowledge without you ever realizing you were getting a 'lesson on life.' He inspired so many, had good laughs with a lot of us, and will always be in our hearts.
