“Glen was one of my favorite cousins! And your dad was soooo good to my mom in her last years. Stan sent her emails nearly every day, the assistant living printed them large enough for her to see! While working at Ford, Glen called me frequently. I'll cherish those talks forever! We never get enough visits but grateful for the precious ones we had! The last trip planned out here got cancelled. I'm sorry I didn't keep in better contact the last couple years. Sending our heartfelt sympathy and cousin love to all of you. C'Dale (Jenner McBride) Jore & Phil & Karli & Schatzi
