

Glenda D. Hall

November 4, 1963 - June 10, 2023

Glenda D. Hall, beloved daughter, mother, grandmother, friend, and partner, passed away June 10, 2023, at the age of 59. Born on November 4, 1963, in Gastonia, North Carolina, she was the daughter of Clifford Weaver Sr. and Geneva Baugham.

Glenda was a dedicated homemaker who found joy in the simple pleasures of life, particularly in spending time with her cherished family. When she had the opportunity, she would venture into nature to engage in her favorite pastime—deer spying—a hobby that allowed her to connect with the beauty of the natural world.

However, it was in recent years that Glenda discovered her true passion in life. She embarked on a journey of learning and practicing Reiki and Energy Healing, a path that brought her immense fulfillment and allowed her to share her healing abilities with others. Glenda's compassion and desire to help those in need defined her character and endeared her to many.

Left to forever cherish Glenda's memory is her partner, Tony Brenner, whose love and companionship brought her great happiness. Glenda also leaves behind her daughters, Christie Harcourt, Amber (David) Chinoski, and Brenda Bahnweg, who will forever hold her close in their hearts.

Glenda's legacy continues through the lives of her beloved grandchildren, Thomas Caster, Robert Caster, Michael Caster, Mathew Chinoski, and Avery Chinoski, who will always carry her love and wisdom with them.

She is survived by her siblings, Jeffrey Hall, Rhonda Nobles, and Bryant Weaver. Glenda was predeceased by her parents, Clifford and Geneva, as well as her siblings, Clifford Weaver Jr., Belinda Weaver, and Paula Weaver Johnson. Their spirits now reunite with Glenda in a place of eternal peace.

In accordance with Glenda's wishes, her remains have been cremated, and gatherings to remember and celebrate her will be planned for a later time. In this time of grief, the family kindly asks that you share a memory of Glenda at www.sullivanfuneraldirectors.com, allowing her loved ones to find solace and comfort in the memories of a life lived to the fullest.

Glenda D. Hall touched the hearts of all who knew her, leaving behind a legacy of love, compassion, and a dedication to helping others. May she find eternal serenity, and may her spirit continue to guide and inspire those who were fortunate enough to have shared in her journey.

“ *Glenda's spiritual presence has been strongly felt these last few weeks. I see you, I miss you. You showed us how close we are to our other realm. Til we meet again my dear. Happy mothers day. Mary D. Hines 5/9/25*

“ *Ms. Glenda as my daughter and I like to call her, we only recently met about a month ago when she and Tony were having a garage sale. All Ava wanted to do was spend her money at the garage sale, she purchased many different items over the course of a couple weeks. She and Ms Glenda bonded over a love of owls, which Ava purchased quite a few owl items, and stones, both of which I know Glenda cared a lot about. She spoke about being a spiritual healer and offered to help in my personal healing of my own. Just in the very short time we knew her she was such a light, now looking around at the garage sale finds that she once owned, I feel we will never forget the kindness that Ms Glenda brought to our lives, she truly was someone with great knowledge and positivity that I wish I could have known for longer, she will forever be missed.*

I have been fortunate to know Glenda for over 20 years. Monthly, we shared updated photos of our beloved grandchildren, texted often and usually had a lengthy phone call that always ended with hysterical laughter. Glenda loved acrostic poems, so in her honor, I share one below:

Generous & compassionate

Loving mom & grandma

Endless positivity

No secret, a blessed soul

Dependable friend

Always in our hearts

She routinely ended her texts and calls with “Muah,” so with deep sadness, Muah Glenda.

“ My heart is filled with gratitude for I have been so blessed to journey with Glenda in this lifetime. Her guidance, strength and encouragement kept me on the path I was born to be on - though I didn't realize at the time. Her laughter, her love her uncanny ability to " be there" whenever I needed lifting made me stronger, gave me hope, gave me purpose. Such a gift of Light. I will cherish every memory, every word every thought we shared. I promise my sweet Glenda I will strive to become the person you believe me to be , to stay on this path my Soul Sister and make make you proud. I love you , I thank you and how I will so miss you. My heart aches and yet is filled with joy knowing your journey continues and your Light will continue to shine. Until the time our paths come back together... For your family I send strength, love and forever holding everyone in Light

“ I met Glenda a few weeks ago for the first time. She recently moved into our neighborhood with Tony. In the short time she's been here, she made an effort to get to know the neighbors and spend time with them. I truly enjoyed talking to her, she was very easy going and it felt like I had known her for years. I will miss waving to you and seeing your smile and light. Tony, I'm so sorry for your loss. The neighborhood is here for you if you need anything. - Marla & Steven Goodrich

“ She emanated kindness. I remember her kindness here on two times in my life during my senior year of high school when my parents didn't have a vehicle. I went to high school with her daughter, Brenda. During the polar vortex in senior year of high school, she allowed me to sit in her back seat while waiting for the school bus. The other pivotal moment I remember is when she was quick to offer me a ride home from the awards ceremony in senior year of high school when she saw me walking home. Both of these moments made a difference in my life and helped me get through tough moments that I was facing at the time.

“ To all who new Glenda she was/is a ray of sunshine! She will forever be a part of my heart. We often shared stories of our Grandchildren over the last few years and she so loved/ loves her Grandchildren and her daughters!
My last Reiki session with her just before she left Myrtle Beach was so moving and helpful to my soul!
Glenda’s wisdom was/is profound and I believe everyone who shared time with her will forever be moved by her heart and kindness.
I know she is not far and will continue to guide all who were able share space with her!
I remember enjoying a table at Damon’s for her Birthday several years ago and her joy being with everyone was felt by all!
Her children, she cherished and bragged as any mother would of their accomplishments and marveled in their achievements and strength. You all made her proud!
With Love And Gratitude For Honoring Me With Your Friendship And Wisdom! I will miss you and love you. My heart feels your loss on the Earthly plane, but know we will meet again!!
Fly High and Enjoy the Wings God Has Given You! I feel they are HIGE! 🙏🧠❤️
