“ You are all in our thoughts and prayers. We always loved spending time with Glenda, and she is family to us. Glenda was one of the nicest people that I've ever met. I'm sure she's having a joyful reunion with her Father and Ricky in heaven. She had a special place in my parents hearts, too, and I like to think that they are reunited as well.

May God, and your many wonderful memories of Glenda, help you through this difficult time.
