“ *I am a member of the Red Wing High School Class of 1956 and was a friend of Glenda's during our years at Central High. We were both in a group of girls who called ourselves The Silly Seven. I was very sorry to hear of her death and want her family to know that our classmates will be remembering her at our 50th reunion in Septemer. I am sad that I we had not maintained contact over the years and had always hoped to see her at our reunions, but didn't. I will always remember her fondly.*

“ *My sincere condolences. Although I only knew Glenda for a short time when she helped me with purchasing fabrics at Hancock Fabrics, I will always remember her helpfulness and her cheerful smile. I am so sorry for your loss.*

“ *Dear family of Glenda, I was saddened to learn of Glenda's passing. We were classmates at Red Wing High School and I always thought a lot of her. She will be missed. I will relay the news of her passing to classmates that I have e-mail addresses for. We are having our 50th class reunion this summer and will be sorry that she will not be there with us in body - only in spirit. We have a memorial service planned for all deceased members and will include her in the prayers.*

“ *To the Bahlman family, Glenda was such a sweet and loving person. I will really miss her at work. She and I shared our faith and I know she was ready to receive her reward. It was such a quick illness that took her --it almost seems unreal. I know it will take a long time for your grief to subside, but I pray that He gives you strength for the days to come and peace in the knowledge that Glenda is without pain or disease in the loving arms of God.*
