“ To the family of Glen, I'm sending my condolences with deep sorrow for the passing of Glen. I enjoyed working with him at Marsh for 11 years. He was a real gentleman and a good friend who will be sorely missed by all who had the pleasure of knowing him.  
Sincerely, Bill Tamblyn

“ Glen was truly one of the best. He loved his family and friends, he is a legend at Marsh for his ability to "get it done" and he was a terrific mentor to me. Everyone loved Glen Gibson - He will be missed.

“ I have had the honor of being Glen's wife for a short six months. We started dating July, 2008 and were married on Valentine's Day, 2009. My heart is breaking. He was so kind, generous, loving and gentle. No other person in my life has been as wonderful as he has been to me. My dear sweet man: if love, dignity, generosity, class and gentleness could have saved you, you would have lived forever. You will be missed by me and Gail, Curt and all of my family and friends who loved and admired you. You will never be forgotten. I'm so grateful for the time we had together, albeit too, too short.  
Love You, Jean

“ Our thoughts and prayers are with the family. We took care of Mr. Gibsons' feet for a short time when he was homebound and he was always very kind and we loved the Jackie Gleason and other music he played during our visits. All the best..
