“ *Mrs. Heussner; Would you be the Sharon Huessner who did work for Edwin Hurd in Detroit in the 1960s?*

Yes I did work for Hurd-Darbee in the 60's. Was your father Edwin Hurd?

“ *Sharon, as you know our heart goes out to you during this difficult time. But thinking back when we built our home in 1998 with vacant lots on both sides we said to ourselves, "We hope we get good neighbors whoever builds next to us". Within a year or so we met Glenn and Sharon as they built their home next to ours. As time went by we would get together for dinner occasionally and being good neighbors developed into being good friends. Although I can fix things kind of by the MacGyver method bailing wire and scotch tape if I ever needed to do something exactly correct I would call Glenn and he would explain in detail how it should be done. and most likely just do it. Sandy and I will miss Glenn's dry sense of humor and I will especially miss the occasional Perfect Southern Comfort Manhattan that we shared. God Bless, we will keep you in our prayers.*
