“ I remember meeting Glenn at the Renaissance Unity picnic when it was still in the Warren location. His smile and personality were larger than life! I learned so much from him over the years and I will never forget his incredible contribution as Reverend to our church.

“ *Glenn you are missed beyond measure. You poured into so many that you were and will always be a household word. You were the true definition of a Godly man. You trailblazed in areas most people would have crumbled.*

Not only was OU your job, it was part of your assignment. You were and will always be my mentor, friend, prayer warrior, listener, speech writer, karaoke partner and supporter. You always wanted the best for everyone and that my friend, is LOVE. Your legacy lives in all of us and now that you're resting in the Master's arms, you can rest. Lia, THANK YOU for sharing Glenn with the world the way you did and may God give you the strength, peace and comfort that you need during this time.
