“ Glenna was like a mother to me, a very loved friend. The best boss anyone could ever have & the greatest neighbor anyone could ask for. She loved her family more then most of them probably know. They were the center of her life. Her love for them began & ended her days. Family was everything to her! She treated her friends like family & there was nothing she wouldn't do for anyone! She had the greatest heart of anyone I knew. I have & will miss sitting on the porch with her & chatting up a storm. She touched my life in so many ways & I wish I had the chance to let her know, how much I loved her. I will continue praying for Doug, Dina, Dana, Doug Jr, Sharon & Charlene. My heart goes out to you all. What a huge loss. If you need for anything call me please. Much love & sorrow- Chris Charteris
