“ To the family of Gloria Bitter, My heart and prayers goes out to all of you, she is in heaven now and all of her pain and suffering is finally over and now she is in Gods hands. Chris I am so sorry I got the message late, I know one thing you took good care of her and I know you will miss her so much, you were a good son but now maybe you can have some peace, you worried so much about her when we talk at work I could see the toll it was taking on you. I knew and could see you cared and loved her so much. Well maybe she will meet my mom and sister and be living a good life no more pain. God Bless all of the family, time will help. Your friend Love Rose
