“ We have a lot of sweet memories of Mrs. Mott. When she was in better health I would take her to get her haircut and out to lunch. We were able to converse a bit back then. I said to her, "Mrs. Mott how do you accept not remembering much anymore?" She would always tell me she was losing her mind. She answered and said, "It's a great thing I don't remember bad things." I told her, "I want to be just like her when I get old and have to endure what 'old age' brings. And I don't want to be a crabby old person." I then asked her how she does it. And she broke into a song and began singing *One Day At A Time, Sweet Jesus*. And we know that is the answer. She sang that many many times to me. It was a favorite of hers and now a favorite of mine. No one sings it as sweet as Mrs. Mott. This is a memory of a sweet lady.

*I just listened to my precious Aunt Gloria's home going service! Thank you Ben (Jackie to me) for sending it so it could be shared to our Yarborough Family facebook page. I pray all her family takes the time to listen to it. It was a Beautiful Service,. I will forever cherish my childhood memories with her and Uncle BJ. It's like her pastor said she was such a wonderful hostess. I loved her so much. Praying for Ben and the family. Looking forward to that Great Day when we will see her again. Love you Aunt Gloria,*
