

## Gloria Noll

February 9, 1940 - September 19, 2024

Gloria Noll, born on February 9, 1940, passed away on September 19, 2024, at the age of 84. Known for her vibrant and loving soul, she leaves behind a legacy of warmth, joy, and laughter.

Gloria is survived by her beloved children, Lynn Grant, Donna (Michael) Pulte, and Sheri (John) Raymo; her cherished grandchildren, Alyssa Raymo and John Raymo Jr.; and her dear sister-in-law, Joan Fascetti.

She is predeceased by her devoted husband, Dennis Noll; her parents, Robert and Mary Fascetti; and her siblings, Carmella "Dolly" (John) Maslach, Rose (Jim) Butera, Marge (Stan) Maiberger, and Robert Fascetti.

Gloria had a zest for life, always staying active and embracing every moment. In her younger years, she loved to bowl, spend time on her and Dennis's boat on Lake St Clair with friends and family. She and Dennis also spent their winters as snowbirds in Texas, enjoying travel and warm weather. Later in her life she fell in love with the game of golf and looked forward to golfing with her league weekly. Gloria also looked forward to church on Sundays and enjoyed going to breakfast afterwards with her friends. When she wasn't moving, Gloria enjoyed relaxing with a good book or enjoying a good card game. Family was the center of Gloria's world. She adored spending time with her children and grandchildren, especially at Higgins Lake, where they shared countless moments of laughter and love. Her grandchildren were the light of her life, and she cherished every moment with them.

Gloria was known for her infectious spirit. She loved to dance-whether it was

in the kitchen while cooking or at a family gathering. Always quick with a joke, she could light up a room with her humor. She was also a wonderful cook, and friends and family knew they could always find a good meal and good company at her table. A loyal friend and a great listener, Gloria had a heart as big as her smile and was always a phone call away to lend an ear for those in need.

Gloria will be deeply missed but fondly remembered for her warmth, generosity, and unshakable spirit. She leaves behind a legacy of love, laughter, and the countless memories she created with those who were lucky enough to know her.
