“ I'm sorry to hear about the loss of Gloria. I cant remember anything but how sweat of a lady she was. She was a good person and I'm sure she will be taken care of where she is going. My heart goes out to all who is dealing with yet another loss. I love you all.

“ I was very saddened to hear the news of Gloria's passing. It brought back a lot of feelings of loss that her family and ours have experienced recently when we lost my father and Claire suddenly and unexpectedly. I have known Gloria since I was a kid and once she insisted that she had to walk nearly a mile to Hardee's to get me some food. I tried to tell her no but she would not be dissuaded. Even now, I remember her as one of the most selfless people I have ever known and giving to a fault. I know she will be missed. Today the sky shuts down on a little less worth in the population. -Emerson

“ Tom, A rose once grew where all could see, sheltered beside a garden wall. And, as the days passed swiftly by, it spread its branches, staight and tall. One day, a beam of light shone through a crevice that had opened wide. The rose bent gently toward its warmth then passed beyond to the other side. Now, you who deeply feel it's loss, be comforted, the rose blooms there. Its beauty even greater now, nurtured by God's own loving care. Our thoughts and prayers are with you and your family.

“ Ma, you would always say I was the independent one maybe so but you knew I always needed you in our special way. You took care of Eric for the first five years of his life and and oh what a good job you did! We have so many wonderful memories together and I look forward to seeing you again without pain and sadness. You missed daddy so much and more recent with Claire's death it broke your heart. The resurrection hope is real and I look forward to that time when we will all be together on a peaceful new earth. I am waiting for you mom! Love, Therese
