“ I just met Gordon while on a bowling league with CJ. Our team wasn't the best to say the least..our averages were around 95... However we were the best at having fun. Thankfully the bowling league was called the "fun league.I will always remember those times and getting to spend time with a beautiful couple like CJ and Gordon. Such smart wonderful people.Your family is in my prayers.

“ I remember the first time we met Gordon on a playground when both our boys were four years old. I remember the bright, curious, polite boy he was. Then I saw him a couple years ago while he was doing some political work and the same qualities were apparent. We are stunned and so sorry.

“ My deepest sympathies. Gordon impacted the lives of many. He and I became friends throughout his time at Marsh. He had many great attributes and characteristics that made him the great man he was. He took every opportunity to reflect and make the lives of others better. Gordon was a loving and caring individual. There aren't enough words to express how wonderful Gordon was as a person and employee. Loyal. You will be greatly missed, my friend.
