“ To the Kapera Family, I was very saddened about hearing about Mrs. Grace passing....she was a very dear neighbor, to us always making cookies, for me or the kids, and sometimes always to manage something for the dogs. May God grant you dear memories of your Mother, until the day when we can be together with her again. If there is anything that my family can do for you, please don't hesitate to ask. With cherished thoughts and memories we will fondly remember your mother.
