“ Dear Aunt Jean, Chelsea, and Gail, It is with a heavy heart that I write this. I am so very sorry about Cousin Grayson's untimely death. I know Grayson to have been a devoted and loving son to Aunt Jean, a wonderful father to Chelsea, and a champion for Gail. He will be greatly missed by his family and friends. I know that I will miss his smile and, "Hello, how are you Linda?" when I visit my terrific aunt. Many thoughts and prayers to you all. Love, Linda

“ Nancy VanJaarsveld - cousin My deepest sympathies to your families on the loss of my beloved cousin. I remember visiting as a young girl and looking up to Grayson, especially when he would play the piano and guitar for me. He also had a great and unusual laugh and a beautiful smile. Love to all and especially my Auntie Jean. Remebering all the tea times too. Love, Nancy

“ Prayers to your family for strength and comfort during this difficult time. Phillip & I were pregnant for our first son and fell in love with the name Grayson because it was a strong yet lighthearted name. We changed a letter but imagine the surprise when our Greyson met Grayson and looked up to this smiling man! Our son thinks its pretty neat that the name is carried on. We wish you peace remembering how many lives Grayson touched around us all. - Phillip, Jill, Greyson, Gentry & Gaia Watson

“ Sadly, today I say goodbye to my cousin Grayson. He was an early inspiration and encouragement to me to attend college and embrace life. I will always thank him for that kindness and for being an early role model to me. He will be greatly missed.

“ Gray, more like a brother than my cousin. Witty words, infectious laugh and your kindness, my most endearing memories of you. Watching "The Robe" with you, first ever movie for me. Singing your version of Mary Poppins "Just a spoonful of soot doesn't help anything go down", laughing while tears rolled down our cheeks. Chinese tea, egg rolls and idealistic, youthful conversations during our college years. How could I have gotten through without your support? I'm so glad our last time together included dinner at The Beverly Hills Grill, watching a Tigers game and enjoying a cup of tea with Aunt Jean. This sweet memory will always be with me. I mourn for your presence Gray but not without hope. I know you are with our Lord and Savior, Jesus Christ. Joy will come in that morning when we will all be together again, this time forever. Love You
