“ Dear Marlene, Marc, Tim and Greg, How sorry we are on the passing of Greg. As cousins, we grew up together and shared so many fun times with our families. He was a great guy with a big heart and loved you all so much. He never wanted to dwell on how sick he was and always gave me the same answer when I asked how he was doing "I'm hanging in there", yet I knew he was so very sick. What a trooper he was! He will be missed by many and left us all too soon. We pray now that you can rest knowing he is reunited with his parents and other family and suffers no more. May God bless you all during this time and know that Greg will always be watching over you from above. With love and sympathy, Cindy and George Kurzym
