“ Jody, Gail and I were so sorry to hear about Greg's passing. The times that we were able to get together were a blast. We have fond memories of him and his generosity and hospitality. Everytime we look at our chicks & hens, we will always think of you two. May God embrace you in your time of sorrow. May He take your hand and walk with you on this new journey ahead. Prayers and positive thoughts your way Jody! Love, Don Big Lug and Gail Esler

“ Greg, I'm glad you got that Cadillac we talked about even if it was only enjoyed for a short time. I often reflect on what you told me about fast lane people and slow lane people. You were like a dad to Randi. She constantly talks about Uncle Greg and Aunt Jodie's and of all the great memories you have shared. I'm going to miss sitting around with you enjoying some Jim Beam and Coke. Well a splash of Coke, solving the world problems. You will be greatly missed but great people like you are not easily forgotten.

“ I will surely miss waving to my buddy Greg on his "perch" as I pass his house going for my walks around the neighborhood. He was such a good guy!

“ So sad to hear about the passing of Uncle Greg. Thoughts and prayers are with all of the family and friends that will feel his loss. My favorite memories of him are the BBQ's and volleyball games he & Jody had at their house. R.I.P. Uncle Greg
