“ *RIP dear friend, safe travels. We had come a long way since our days together as classmates at Our Lady of LaSalette. Thank you for the gift of yourself you brought forth during your life here. All is well. Some years ago you helped me tremendously to face some hard truths about myself. For this I will always be grateful. Forgiveness heals, not only towards the other, for oneself too. With Love from a friend, Jim Sprinkle*

“ *Greg and Jan, you will never know how happy I was when I arrived at Aunt Marian Sullivan's Birthday Party and you were there with your Mom. I cherish the memories of your Dad and your Mom and you both when you were younger. But it made me especially happy to see the three of you that day. And then other moments after that. A blessing. I only wish I had had the opportunity to meet Dina. You are gone too soon and that makes me very sad. Thank you for being you and for your wisdom about the "Buns" especially when I made the step to get one for my own grand daughters and the advice from you which followed. Move forward my Cousin and be strong. You will never be forgotten. Love Missy Sullivan Poppenger*

“ Greg, we were friends for many years since we met at BHS when you were just 16yo. We had many years of fun & friends from our talks at Angel school yard with our 'posse' to OCC, your classic cars, our lunches at Aubin's B&B with my son Ben when we were in town. You were always there for me & you will always be remembered. Condolences to Dina & your family. Harriet Freeman Silverman
