“ *Greg was a kind and gentle person. When talking with him, it was clear he took a genuine interest in those around him. Cathy was the love of his life and she felt the same about Greg. They were not only husband and wife, but the best of friends, supporting each other through thick and thin. Greg touched the lives of many with his kind, gentle and giving spirit. He will be greatly missed.*

“ *It doesn't seem possible that Greg could have fallen ill, and then left so soon thereafter. We are heartbroken. Greg was a very special person, and always so gentle and kind to both of my children: David and Caroline. We have many memories of special holidays together. We loved our Greg and our Uncle Greg. We will always remember and have our times together tucked in our hearts forever. Oh how we wish we had more...We loved Greg very much, and he was special to our family.*
