“ Eddie was a wonderful man. He always had us laughing at one of his many stories. I have so many countless memories of him. He used to sing "walk through this world with me, go where I go" , I feel lucky to have walked along in a part of his journey ❤️. Donna, Junior and all of Eddie's family, may you find comfort in the journey you walked with this kind man, he now walks in the clouds.

“ Our heartfelt sympathies go out to Donna, Junior and family. He was so proud of his son and all his accomplishments and always spoke so highly of him. Words cannot express how much I thought of Eddie. He was a genuine and sincere man who could tell a story better than anyone and he had a great sense of humor. I'm sure everyone will agree, he told us all "Not to take any wooden nickels." We had awesome fun and good times (and got our work done :) at the Area Office at White Castle before he went to work out at the restaurants.
RIP, my dear friend, Eddie.
