You never attempted to be apart of her life, so don't try to come around now.

She only had one daughter, and that's Donna. But thanks for stopping in. She knew who cared about her.

Thank you for sharing your memories and such kind words, Ken and Zuzana. Know she loved your entire family very much. While it's true her humble and compassionate nature left a lasting impression on the hearts of many, the beauty is she wasn't really aware of it. She was simply being Gwen...❤️
