“ Jim and Nancy, I was so sorry to learn, this morning of your Mom's death. It was always an interesting time when I saw Hanne at your house. I'd always forget to keep my political views to myself...and your Mom and I would get into some intense, but fun discussions! I'll miss her. Eric Cydney, I can only imagine how sad you must be, knowing that Grandma is gone. But she's only gone in a physical sense; her essence: ALL she meant to you and you meant to her AND all the interactions you had over the years with each other,that is ALWAYS with you in your mind and in your heart; AND you can call that up from your memory at any time and have Grandma with you again. She was so very proud of both of you and now you have a "special" 'grandma angel' watching over you from above. She is at peace now, and no longer in pain. I'll keep all of you in my thoughts and prayers. - Mary Alice

“ Thoughts and prayers to all the McChesney's. Keep your focus on God to see you through this tough time. Especially my neice and nephew, Lynda and Jon. Keep all the wonderful memories you have of your grandma close to your heart. You had some wonderful times. I'll never forget how her and I just to "butt heads" on me spoiling you when you were little. We both learned to mellow out towards each other in our later years. She was a good woman.
Love, Jackie
