“ For my Dad, I lost contact with you for some time, as kids who do dumb things sometimes do. But you said "That's okay son, we all make mistakes!" I talked with you every weekend for almost 5 years, and enjoyed every call! We cried, we laughed, and remembered many things I hope you know how much I loved you, and always will. You took my wife, who you met only once, and made her feel like she had a father! That's just the kind of person you were. We love you Dad, and will talk to you every night! Your Son Harold and Cheryl.

“ To my loving husband of 46 years plus 5 years for engagement I had to be sure he was the one, and he was, and a few years of working together. He taught me to play golf and I taught him to gamble, he loved the casino. We had many memorable times together. I will always love you, Harold.
