“ I am so sorry for your loss Griggs family. Harold was a great person and father who cared a lot about his family. I met him through working with his daughter Jennifer and worked with her for 8 years. Harold was a very serious, hardworking, determined and a loving man. Kimberly I am so sorry for the loss of your father. I wish I could be there on Saturday. My thoughts and prayers are with all of you.

“ I was fortunate enough to meet Harold and get to know him throughout the last year. Not very many people I meet touch me in the way Harold did. His determination and dedication to his family was remarkable. They don't make em like Harold anymore. It was a blessing to have met him and hear his stories and his unique way of describing things. You will always be remembered and never forgotten.

“ Daddy it's hard to believe you are gone. It has been a long 8 month fight, but I understand you had to go. I hope I did all the right things. I'm going to miss you every day, but I hear your voice all the time telling me to "be good kid".
