“ *You were an amazing uncle and one that will be missed by our family especially your sister, Lorene. You were the most optimistic, loving, caring uncle and brother that we knew. Your sister, Lorene, looked forward to hearing from you each week. She already misses you so much. Until she meets with you again in heaven with all your brothers/sisters. Watch over her as her older brother that her remaining days will not be suffering but happiness. love you always, your sister, nephew, and niece.*
