“ Sincere sympathy to all of the very large family and friends of Ken's. I remember Ken as our faithful opener of the adoration chapel at 6AM at St. Kieran. It seems like it was at least a year or one year and a half, seven days a week that he opened. It was a difficult commitment for one person...but he was so very reliable and always friendly. It was a pleasure to begin the day with his warm good morning. May Ken rest in peace.

“ We are sad to say Goodbye to Ken but know he is in a better place drinking coffee and laughing. He was a welcomed addition to our family. He had a great sense of humor and we will miss laughing with him. We will be forever grateful that Ken was able to fix our 50 year old coo clock twice. He was always a gentleman even while in the hospital, in pain and still was able to smile at the nurse when she asked if he needed anything. We were blessed that Ken came into our lives and made it a better place. We loved him and will miss him. Kelly, Mark and Thomas Young
