“ My heartfelt sympathy goes out to Harold's family. I have had the privilege of cutting his hair the few times he allowed it to happen, as well as having Harold install systems at home and at work. He was a funny, kind, honest man who cared deeply about his family. We will miss you Harold. Sincerely, Quenlyn

“ Harold Paulsen was a very special person to me and my family. He started doing work for us many years ago, and that developed into a great friendship. He just installed a tv a couple of months ago for us. Gussie & I are just sick about his passing. Lance & Kyle have been in our house. Our heart is broken for the entire Paulson family. Harold truly touched my life, and I am the better for it. I miss him already. Jerry Isler

“ As a neighbor of your family for the last 16 years, I shall miss terribly the smell of your wonderful barbeque going announcing you and Andrea were putting together another gourmet meal. Alex will graciously accept our invitation for our plain meals here when I know he has a much better menu at home.
