“ Remembering all the special times we spent in airports and Texas as we made new friends and got to see those we had met before. Joan and I shared the back seat with Harold on our sightseeing trips and I can still hear him saying, "We slide in and slide out!" Great memories! Sending you prayers and hugs.

“ The memories of Barney & Dan, the Boeling's thrashing machine, putting hay high into grandpas' barn. All are memories that included my Uncle Harold, who's memory will not fade away. He was part of the lessons I learned about farming in 'the good old days'. I shall miss his warm smile and his gentle ways. He has now entered the Gates of Heaven to be with his Maker. May he rest in peace. Amen Earl and Carol Schroeder, Sisters OR

“ Duane, Heartfelt condolences from my family to yours. I wish I could be there to support you as you were for me when I lost my father. Although I never met your father, he must have been one special person. I know this because of the special son he raised. God bless.
