“ Dear Campbell Family, I'm so sorry about the loss of your mom. She was such an involved and dedicated mom. I'll always think of her telling it like it is, speeding down Woodward in the Suburban, and cheering her kids and all of their friends on in just about every sport imaginable. She was a great lady.

“ Campbell Family, I am deeply saddened by the loss of your Mom. Having known her since I was a kid, I can honestly say there was no finer person than your Mom. She was so great to me over the years and I will always remember how she comforted me after Jim Axon passed away when we were in college. She just had a way about her. God puts people in your life for a reason and I am so grateful to have known her. She was an absolute gem and I know she is in a better place now, smiling down on all of you.
