“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

“ What a kind and truly generous man. We enjoyed the annual Duncan hoedown for many years as we were welcomed into Harrison's beautiful home. There was always plenty of food and fun, no matter how many came! The Duncan family should be so very proud to have had such a gentleman for a father, grandfather and greatgrandfather. We will miss him.

“ It is so hard to let him go and say good bye that it brings comfort in knowing how much others care. My dad will always be remembered as a hard working man who always put his family first. He loved having the annual pig roasts and family reunions at his house. He enjoyed visiting with everyone and seeing the kids and everyone have a good time - and oh! the food we ate!!! We are so lucky as a family to have him for all these years and know that he fought a good fight to get better - but that was not the plan God had for him. He found peace with finally having an answer to his illness - even though not good - knowing he had ALS and no cure was meant to be. He found the strength and courage to fight one last time and make his way home - to rest his head one final time in his own bed and have the peace he knew his heart desired. I am so proud of my dad and all that he has accomplished in his life - serving in the army, marrying my mother and raising 4 children, providing a good home and all we ever needed. My dad retired from Chrysler with 42 years shortly after my mom passed away in 1988. He stayed so strong after my mom passed and was always there for me when I needed him. He always encouraged me to do my best and to never quit - and above all to be honest and true to myself and others. I think my dad was one of the most patient people I have known - It makes me proud to be his daughter and I am thankful for all the time I had to share with him. I will miss him greatly but have wonderful comfort in knowing I will see him again!!!
