“*Nan, You will be greatly missed. When I make your tasty Sweet Bread I will be thinking of you and when I decorate for Christmas I will think of you, when I see a large mirror all decked out for the holidays I will think of you. You were an inspiration to many people including the kids on the play ground when you worked at the school. So many memories of your long life. My thoughts and prayers to Barb, Deb and Bill. Your Sister In Law, Karen Bradford*
